** Please note I've teamed up with Jay Eide President of the Pikes Peak Wrestling League in Colorado Springs to help run my tournament this year. Why you ask, I've sent kids from our club to wrestling in the PPWL and like how he runs a tournament and the competition on the Front Range. Our tournament has grown each year and my goal this year is to get more teams from the Western Slope to wrestle and show you how a great tournament is run and meet new people.

Joining us for our tournament is 2012 U.S Olympian Ben Provisor and his wife Leigh Provisor who wrestled on the US World Team.

Mitchel Procell Travel Warrior Trophy

Mitchell Procell was a wrestler from the Western Slope of Colorado (Outlaws) and would travel 5 or more hours 2 or 3 times every year to Pikes Peak Wrestling tournaments with his mom. Mitchell had a number of serious medical conditions that would limit the average athlete, but no fear of wrestling and a desire to wrestle anyone, anywhere, anytime. Even with Mitchell's struggle with seizures and severe diabetes he competed with spirit always. Mitchell quietly passed away in June of 2013. In his honor and with the spirit of traveling to compete we will recognize the "Mitchell Procell Travel Warriors" team trophy at each of the Tour of Colorado tournament series to the team with five or more wrestlers that traveled the farthest to seek competition.

This tournament is part of the "Tour of Colorado" and two points to be applied to the "Dan Gable challenge".

Tour of Colorado

This exciting medal series is an opportunity to provide wrestlers with a unique custom medal from each of the tournaments specified within the "Tour of Colorado" series by promoting clubs and wrestlers to wrestle against different competition throughout the state. The series will be run on a three year cycle, meaning your wrestler can win the series over a three year period without having to travel to each one of the Regions in a single year.

Each region specified tournament within the “Tour of Colorado” will have a custom specific regional medal given as the award for placing top 4 in that bracket. Once all of the different medals in those specified regions are achieved your wrestler will have a puzzle of medals that make up the State of Colorado. On top of that, as kids achieve this, we would like to highlight the winner’s names on the PPWL & IMWL website. Unlike the Dan Gable Challenge, this series is based on wrestling different competition throughout the state, and not on wrestling in an elite bracket. Remember, all 8 and under wrestlers will get a medal in our regular season events as they are grouped in four man round robin brackets. 9 years and older in 6 man brackets, so it would require your wrestler to finish top 4 to get the region medal at a specified tournament if they are older. - See more at: <http://www.pikespeakwrestling.com/tour-of-colorado#sthash.mWbijf1M.dpuf>

Phil Long Dan Gable Challenge Points

The Dan Gable Challenge (DGC) series is a point’s series conducted throughout our regular season, specifically at tournaments called "Dan Gable Challenge" tournaments. Our regular season tournament format is still intact with these tournaments, but if your coach enters your wrestler in the "Advanced" skill group at these specific tournaments, then your wrestler will accumulate points based on their finish in their bracket (automatically accrued and tracked). The amount of points required to obtain "Dan Gable Challenge" winner is based on performance in the "Advanced" bracket, but also participation at the Dan Gable Challenge tournaments. Normally the points required to win DGC is set well into the season, but based on the ability to miss one DGC and still win if a wrestler places 1st in every advanced bracket.

Dan Gable Challenge points are awarded for ages 5-14 years old only (4Under is Novice/Intermediate only). If you need to ask questions on the points, please ask your club coach, but if the points are incorrect you can contact Michelle Tollefson directly at Michelleric@yahoo.com

Advanced Division DGC points - total points required will be 27 points for 2013 (barring any cancellation due to weather)

- 1st place = 6pts
- 2nd place = 5pts
- 3rd place = 4pts
- 4th place = 3pts
